

Teaching and Conference Record

Roan James

Instructor of Record

Term	Course	Course Title
Summer 2023	ECO	Early Connection Opportunity: Basics of Mathematics
Summer 2024	ECO	Early Connection Opportunity: Basics of Mathematics
Summer 2025	MATH 201	Introduction to Probability
Summer 2026	MATH 203/204	Linear Algebra and Differential Equations

Teaching Assistantships

Term	Course	Course Title
Spring 2022	MATH 143	Calculus III
Fall 2022	MATH 164	Multidimensional Calculus
Fall 2023	MATH 143	Calculus III
Fall 2023	MATH 202	Undergraduate Complex Analysis
Spring 2024	MATH 310	Undergraduate Game Theory
Fall 2024	MATH 503	Graduate Probability
Spring 2025	MATH 217	Politics and Mathematics
Fall 2025	MATH 265	Abstract Algebra
Fall 2026	MATH 143	Calculus III

Conference and School Attendance

Date	Conference or School	Location	Financial Support
September 2024	Conference on New Developments in Probability	Centre de Recherches Mathématiques, Montreal.	\$1,000 in travel expenses
October 2024	44th Midwest Probability Conference	Northwestern University, Evanston, Illinois	\$750 in travel expenses

Date	Conference or School	Location	Financial Support
November 2024	Northeast Probability Seminar	Columbia University, New York	\$700 in travel expenses
June 2025	School on Interacting Particle Systems and Random Matrix Theory	Alfréd Rényi Institute, Budapest	Accommodation and \$1,000 in travel expenses
November 2025	Northeast Probability Seminar	New York University, New York	\$700 in travel expenses
July 2025	Seminar on Stochastic Processes 2026	Union College, Schenectady, New York	Accommodation and \$250 in travel expenses
June 2026	MSRI Summer School: Random Growth Models and Hamilton–Jacobi Equations	University of California, Berkeley	Accommodation and \$850 in travel expenses
